Custom Graphics:	Optional

Alpine Shredders has over 100 years experience in the Transportation Equipment Business and over 50 years combined experience in Shredding Systems Engineering. And it is built into every Alpine Shred Truck we make...standard.

We have engineered Mobile Shredding Equipment that is simple to maintain with fewer moving parts than competitive equipment. The end result is a shred truck that requires virtually no maintenance and is **ENGINEERED TO LAST**.

ALPINE PRO SERIES V-MAX

Looking for maximum power in a full sized truck? The Pro Series V-MAX shreds at over 9,000 LBS per hour and leaves all other trucks in this class in the dust. This is the fastest full sized shred truck on the planet.

Imagine every amenity, superior throughput and the same SIMPLE - SOLID - RELIABLE system we are known for.

Pro Series V-MAX features include:

- International 4400 DuraStar Chassis
- Alpine 720 Shredder
- Select-A-Shred Reduce Shred Size
- Alpine Fast Offload System
- Front and Rear LED Strobe Lights
- Jaw Dropping Throughput
- The Ultimate Premium Shred Truck

⁽¹⁾ GVWR based on axle ratings

⁽²⁾ Payload based on empty factory weights

⁽³⁾ Throughput varies with material
